

AMENDMENT TO THE DRAWINGS

The attached ten (10) replacement sheets of formal drawings replace the original sheets including FIGS 1A-13.

REMARKS AND ARGUMENTS

The attached ten (10) replacement sheets of formal drawings replace the original sheets including FIGS 1A-13. The Examiner has not indicated any objection to the original sheets of drawings and the attached replacement sheets are provided merely to formalize the original sheets of drawings.

In addition, it is noted that the correct title of the present application as indicated on the specification as filed is "INTEGRATED INTERCOM AND SECURITY SYSTEM."

No new matter is being added, therefore no additional search or consideration is required by the Examiner. There are no amendments to the claims.

Acceptance of this Amendment is respectfully requested.
